

# What have our LWCET schools been up to? Sport in focus

Quick-Sticks Hockey - Our STM hockey team have made us immensely proud. At the end of last term, we took part in a hockey tournament at Pates Grammar School. Our team came second in the group stages and placed third place over all, out of 11 teams! They showed fantastic resilience, teamwork and sportsmanship. This was a fantastic achievement for their first tournament and we are all so proud of them.

Jack from St Catharine's won the U9 Campden Aces tennis tournament this week.

This year at St Peter's has seen the successful development of our girls football team who have had a great season. They finished top of their group in their GSSN football league and battled their way valiantly to the semi-finals of the GSSN large school knock out cup.

St Joseph's Catholic Primary School, has won the WOTTON AND DURSLEY PRIMARY SCHOOLS CROSS COUNTRY LEAGUE 2024. Not only did they win the big school competition, they also won overall, for the second year running.

St Greg's have had some amazing Sporting achievements over the past few weeks. We had Marina, Nylah & Christian who represented Gloucestershire at the sportshall regional final championships at Paignton. They all did so well and came 1st first.

Over Easter, Neve in Y5 took two exams in & Musical Theatre, and also competed in a dance competition in Malvern. Neve came 2nd, taking home the silver medal. WOW well done Neve, you are a star!

Lillie from The Rosary school passed her dance exam in Bristol for tap dance and won a silver medal.

CONGRATULATIONS Lillie, what an amazing achievement.
